COLLECTIVE WORSHIP POLICY

July 2019

St Mary's Primary Academy
Collective Worship Policy

Mission Statement

“Walk hand in hand with God, loving him, loving each other and loving ourselves, doing our best with the gifts he gave us to make the world a richer place.”

The Nature of Collective Worship

We believe that Christian worship in a Catholic school names and celebrates God's presence in our lives. When we celebrate through collective worship we give glory, honour, praise and thanks to God. It is our loving response, in word and action, to God's invitation to enter into a relationship, made possible through the work of Jesus Christ and the witness of the Holy Spirit.

‘The celebration of Catholic liturgies and prayers as an integral part of the learning and teaching should enable the school community to become reflective, experience the presence of God and should develop a mature spiritual life.’

(Rev M. Stock 2005)

Legal Requirements

We acknowledge the legal requirement that there must be a daily act of worship for all pupils. This can take place at any time during the school day and can be either a single act of worship for all pupils, or separate acts of worship in school groups. We understand that simply holding an assembly that includes a prayer, said either by the teacher or everyone present, does not fulfil this requirement. We also acknowledge that collective worship and assembly are distinct activities. They may sometimes form part of the same gathering, but the difference between the two will always be made clear.

The act of worship is not designated curriculum time under regulations and will not be included under any part of the curriculum, including religious education.

At St Mary's Academy, responsibility for Collective Worship rests with the Governing Body after consultation with the Executive Head Teacher and Head of School.

Parents have a right to withdraw their child from Collective Worship. However, given the importance of Collective Worship in a Catholic school, parents and prospective parents will be made aware of the fact that it can never be confined to ‘timetabled slots’ but may take place in a variety of contexts other than those which are specifically structured, within the Come and See RE curriculum.

The Place of Collective Worship in the Life of St Mary's Academy

Worship in St Mary's Academy is more than just a legal requirement. It is an integral part of school life and central to the daily Catholic tradition.

Collective worship takes into account the religious and educational needs of all who share in it, including:

- Those who form part of the worshipping community in church;
- Those for whom school may be their first and only experience of church;
- Those from other Christian traditions;
- Those from other faith backgrounds.

The Aims of Collective Worship

Collective Worship at St Mary's Academy aims to provide opportunities for all pupils and staff:

- To contemplate the mystery of God
- To reflect on spiritual and moral issues
- To explore personal beliefs
- To respond to and to celebrate life
- To experience a sense of belonging and to develop community spirit
- To develop a common ethos and shared values
- To enrich religious experience
- To grow in liturgical understanding and development
- To pray using prayers which are part of the Catholic tradition
- To reinforce positive attitudes
- To participate fully
- To take time out 'to wonder at', 'to come to terms with' and 'to give worth to.'

Principles

All acts of worship in St Mary's Academy will:

- Give glory and honour to God;
- Be a quality activity, fundamental to the life of the school and its Catholic character;
- Enable pupils to develop skills so that they can prepare, organise and lead worship;
- Give pupils positive liturgical experiences, appropriate to their age, aptitude and family backgrounds in order to prepare them for the liturgical life of the Church.
- Celebrations will be appropriate to the age and groupings of the children.

Planning, content and celebration

At St Mary's Academy collective worship themes are planned following the Church's seasons, Come and See, feast days, the curriculum and significant dates, for example Remembrance, Anti-Bullying Week and The Harvest and they may be guided by the themes of a Jubilee year or the Bishop's Mission. All collective worship follows the same sequence: gather, Word, response and mission. A variety of prayer styles will be used appropriate to the age of the children and the occasion. Parish and parents are invited to participate in celebrations wherever possible.

The timetable of Collective Worship is as below.

Day	Session	Time/Length	Venue
Monday	Whole School CW Mrs Toner, Mrs Valencia and the chaplain/chaplaincy team work on a rota to deliver CW based on the school value and its links to scripture	9.05/10.15am/20-30mins	Hall
Tuesday	KS1 and KS2 CW – led by members of the SLT and class Teachers Follows the theme established during the Monday CW at a more age-appropriate level – to challenge/support, as required.	9:05/10.15am/20-30mins	Hall
Wednesday	Worship Assembly Worship through singing prayers, singing in response to the wonder of God's love and awe of God's creation.	2.40pm / 30mins	Hall
Thursday	Class based CW – children plan as a team Follow a theme agreed with class teacher (often related to the week's theme or Come and See topic).	9.00am/2.45pm 20mins	Class or Outside
Alternate Friday's	Congratulations Assembly – Whole School Community Assembly KS1 & 2 Mission Cups are awarded Class teachers celebrate the achievements of the children, offering their good work and deeds to God in a collective act of worship. Parents of children receiving awards are warmly invited and attend in good numbers.		

Throughout the year, this timetable may change, for example, during Advent and Lent the school holds reflection days to highlight the extra importance of these key times in the Churches liturgical year.

Our School Chaplaincy Team, take responsibility for our community liturgy every other Monday afternoon. They promote CAFOD projects e.g Brighten up for Harvest and develop a greater understanding of St Mary's Mission through the liturgies they lead.

During class based worship, a small group of children lead a planned collective worship based on an agreed theme. The planning of this worship takes place on the Wednesday prior to the Thursday on which it takes place. Children use the 'See, Hear, Think, Do' planning grid and are supported by the Let Us Pray resources. Like in all liturgies, the child-led liturgy should follow the standard sequence: gather, Word, response, mission. After leading the collective worship, the children keep a record of this in their class worship book (approximately every third session). Children participate in an evaluation session in order to create further depth and opportunities next time their turn to plan comes around.

Roles and expectations of the children when planning collective worship

Children should be able to:

EYFS	Create a prayerful focus ready for the liturgy, choosing appropriate items to display (from a selection prepared by the teacher).
Key Stage 1	Give clear reasons for the items they have chosen to display on the prayer space focus. Select an appropriate reading (from a selected set). Be involved in choosing the music Follow the 'gather, Word, response and Mission' with support. Ideas may be brief and may require the facilitator to expand upon them.
Key Stage 2	Plan a well sequenced liturgy, including all essential aspects. Develop greater creativity, particularly within the 'gather' and 'response' section, as they progress through KS2. Select meaningful biblical extracts, carefully linked to the theme. Consider and make links with the school's wider community and parish. Make links with current affairs and the Bishop's themes of encounter, discipleship and missionary discipleship wherever possible.

This is not a definitive/absolute list, but progression of pupil's skills in leading collective worship is evident throughout the school.

Children should always be supported during the collective worship planning process to ensure they achieve the desired level of depth and experience.

Staff prayer

Staff prayer takes place each Tuesday morning (8:30am), when all school staff members are encouraged to come together in prayer. Each week, a different member of staff is responsible for leading the prayer session. This is a special few moments in the school week where staff members are encouraged to develop their own faith and spirituality, no matter what their faith background. Through prayer, staff members take time to reflect upon aspects of home and school life and are reminded of how unique our school community are, nourished by God at the centre.

Recording

Class collective worship takes place weekly and planning sheets are kept by the class teacher. More detailed evidence is recorded in class scrap books at least twice every half term.

Monitoring and Evaluation

Collective Worship is monitored using the Collective Worship monitoring form, (Appendix 1). Class based collective worship is monitored throughout the year, more frequently upon request where teachers feel they would value support. Informal monitoring takes place in the Advent Term and scheduled monitoring takes place in the Lent Term. Class teachers regularly invite SLT members to share their class worship.

Following monitoring, training needs will be identified and outcomes used to inform the current SEF/Action plan.

Resources

St Mary's Academy Executive Head Teacher and the Head of School have overall responsibility for the Collective Worship resources. However, each class has a Liturgy Box, which is accessible to staff members and children. Included in the class resources are liturgical cloths (green, white, red and purple) representing the colours of the liturgical year; crucifix, crosses, rosary beads, candles, pictures (e.g. images of Mary, the Holy Spirit, the Sacred Heart of Jesus...) and a variety of different resources to be used in collective worship (pebbles, chalk, mirrors etc.).

Children must have full access to a variety of resources and be encouraged to use resources from the indoor and outdoor environment when planning and leading collective worship, in order to promote awe and wonder.

The learning environment

Symbols and icons of the Catholic faith when displayed in school and throughout its premises will help the school community and visitors to experience the uniqueness and sacredness of this learning environment.

Rev M Stock, 2005

From the moment children, parents, members of our school community and friends / visitors come in to our school, they are greeted with a focal point which reflects our school ethos and values. In each classroom and throughout the school, focal points will reflect the liturgical season and will reference Come and See topics. In this way they will be an outward sign of the school's ethos alive in our school, vividly reminding all who work, play and pray together here that we are walking hand in hand with God.

Retreats

Year 6 children visit The Briars Residential Youth Centre (Crich, Derbyshire) in the Pentecost term. Children recognise that they are growing emotionally, socially, intellectually and physically, and are reminded during this retreat that they can grow stronger with God in their heart. The children are given opportunities to deepen their faith and speak proudly about it, without fear of others' and peer pressure. Class 6 children are also encouraged to consider their faith as they prepare for transition to secondary school and benefit from the guidance of our chaplains who support them through this process.

Retreat days take place on a rolling programme throughout the year. Each class, from Nursery to Year 6, spend a half day with our school chaplains – Francis Daw & Issie McElhone, to develop spirituality, different prayer styles and provide opportunities for quiet reflection based on liturgical themes and Come and See topics, agreed by the Leadership Team (appendix 2)

Other opportunities

We take every opportunity to seek chances to visit groups within the local community, in order to share prayers and offer Jesus' love and friendship beyond our school building. Some examples of this are:

Our key stage 2 children put on a wonderful Christmas service each year, telling the

story of the birth of Our Lord Jesus Christ. This is exceptionally well attended and a wonderful opportunity for our school and Parish community to gather together to celebrate the joy of His birth.

Children lead Stations of the Cross in the Church during Holy Week and parishioners are invited to attend this service.

We have strong links with the sisters at The Little Company of Mary and they often bring visiting sisters from around the world to our school. Children in turn have visited the Heritage Centre to learn more about their pastoral work.

Eucharist

Eucharist celebrations are held of significant importance at St Mary's Academy. School masses are held at the start of each term and to celebrate the end of each academic year. Children are given the opportunity to attend weekday mass at St Mary's Church on a rolling programme. This equates to once every term for every child.

Opportunities for children to plan and participate in school masses are maximised. Wherever possible, parents and members of the school and parish community are warmly invited.

Children in Year 3 will be supported through prayer and encouragement as they prepare and celebrate the Sacrament of Reconciliation and Sacrament of the Eucharist. Preparation classes take place weekly after school for several weeks and are facilitated by Fr David and members of the Parish Community. The Holy Communion Masses are well attended by staff from the school, supporting the pupils on their special day. When each child has celebrated this wonderful sacrament, we invite them and their families to celebrate mass again all together in school. Children relish the opportunity to wear their special clothes, receive Jesus again and share a meal of thanksgiving together with their families.

The coordinator for Collective Worship

Celine Toner (Executive Head Teacher) and Linda Valencia (Head of School) work closely together to ensure Collective Worship is of an outstanding standard at St Mary's Academy. Responsibilities are outlined in Appendix 3.
