

Week Commencing 6th July 2020

Nursery Home Learning Challenges

With a grown up talk about ways you and your family could help care for the world we live in. Use the colouring in sheet to help give you some ideas. <input type="checkbox"/>	What do you love about your world? Go on a senses walk outside. What do you see. Hear, smell touch. Draw a picture of something you did on your walk. <input type="checkbox"/>	Complete the pencil control sheets. <input type="checkbox"/>
Let your grown-up read you a story. Can you anticipate what will come next in the story <input type="checkbox"/>	Make a den that let's no light in. Using a torch, inside the den, explore making shadows. What shapes can you make with your hands. <input type="checkbox"/>	Make a fruit salad. Discuss the textures and tastes while making and eating the fruit salad. <input type="checkbox"/>
Make a shadow puppet to use in your den. <input type="checkbox"/>	Play the underwater counting game https://www.topmarks.co.uk/learning-to-count/underwater-counting <input type="checkbox"/>	Join Andy on his under the sea wild workout. https://www.bbc.co.uk/iplayer/episode/p06tmn51/andys-wild-workouts-series-1-1-under-the-sea <input type="checkbox"/>

Choose your favourite tasks to explore together and tick the box when you have completed it. These activities can be done in any order. I hope you have lots of fun being creative together.

Miss Park and Miss Shevlane

Whatever Next!

Can you make a box rocket like baby bear? Use the rocket to act out the story?

Baby bear uses his wellingtons to be space boots. What will your space boots look like? Decorate the enclosed sheet with what they would look like.

Adventure Activities

We're going on a bear hunt
Ask your grown up to cut out the enclosed bear pictures and hide them inside or outside the house.
Go on a bear hunt and find as many bears as you can. How many did you find?

Learn some space themed rhymes (enclosed).
Can you make some actions to go alongside the rhymes?

Maths Activities

Can you complete the space counting activity sheet.

Collect up to 5 toys. Can you order them by height starting with the shortest first and then ending with the tallest? What else can you find to order by height?

Phonics Activities

What initial sounds can you hear?
(Enclosed power point)

Odd one out
(Rhyming sound strip enclosed)
Ask your grown-up to say the object names from the rhyming strip. Which one is the odd one out? Which one doesn't rhyme? Can you think of any other objects which rhyme?
