

Hi Everyone,

I am missing you all very much and hope you are staying safe and well! I thought I would write you a little letter to say thank you for being the best you can be and to tell you some of the things that I have been up to.

I have heard that you have been trying very hard with the Home Learning that I have been setting for you. That is great news! I wonder if you had a try and doing some 'Joe Wicks PE' or 'Cosmic Yoga'? Well done if you did. I had a go and it was exhausting!

When I have not been at school, I have been doing lots of baking and cooking with my little girl, she is just a little bit older than you are! Here is a photo of some gingerbread people that we made yesterday. They tasted delicious!

I went for a walk on Thursday, around a big reservoir. While I was there, I saw some ducklings. I counted 5 of them all together and they were all cuddled into each other. They looked very yellow and fluffy. I hope I get to see them again next time I go.

I have been looking after the nursery garden while school has been closed. I even planted some potatoes and sweet peas. I need to water them everyday to make sure they grow. I will send you a picture of them when they have grown.

I would love to hear what you have been up to while nursery has been closed. If you would like to, you could write to me or send me some photos or pictures of the lovely things you have been up to. I could put the photos on the school website so all your friends could see too! My email address is [louise.park@smca.nottingham.sch.uk](mailto:louise.park@smca.nottingham.sch.uk).

Mrs Watkins and Miss Shevlane are missing you and asked me to say hello to you from them.

I hope to hear from you soon!

From

Miss Park
