

## Home Learning for Year 2 – Week Commencing Monday July 13th

Hello again! Welcome to another week of Home Schooling but so near now to the end of term! I am really looking forward to seeing those of you who have signed up again on Zoom. Here are some suggestions of activities to try this week.

- Don't forget to begin each day at 9am with a little exercise so this week you could try one of Miss B's dance routines or sports activities on the school website.  
Don't forget it is important you also get outside for some fresh air and exercise!
- Also, don't forget to try the Daily Lessons on BBC Bitesize. Go on Home Learning and Year 2 and you will find lots of lessons to choose from in all areas of the curriculum.
- The other website to try is <https://www.thenational.academy/online-classroom>

- **Literacy for this week:**

### Phonics-

1. Try <https://www.phonicsplay.co.uk/>

This site is free for now and the username is 'march20' and the password is 'home'.

Try the activities in Phase 5 and 6.

2. You could also go on Twinkl Parents Hub, English and look at the activities and PowerPoints for Phonics Phase 6.

### Writing-

1. This week we will focus on 'Homophones and Near Homophones'. Remember, these are words that sound the same but are spelt differently and have different meanings. There is a presentation for you to look at with practice activities to help you understand. I have also attached some worksheets from the Twinkl website for you to download and complete. Sentences can be written in your blue books.
2. This week the focus for your writing will be the story 'Caterpillar Shoes'. There is a video of the story to watch if you click on this link: <https://www.literacyshed.com/caterpillar-shoes.html>

I have attached an activity pack with lots of ideas for writing about this video. Please choose the ones you would like to do.

## Reading-

1. Read any book, magazine or comic for at least 10 minutes each day.
2. Read the reading comprehension that is attached. It is all about the footballer, Marcus Rashford, this week. There are differentiated comprehensions for you to choose from.
3. Don't forget you can also use Reading Eggs. Your password should be at the back of your Reading Diary.
4. Look out for information about the Mary Potter Library opening soon so you can use your card to go and choose new books.

- **Maths for this week**

1. Essential mental maths skills that should be practised daily:  
Addition and subtraction of numbers to 20.  
Multiplication and division facts for 10, 5, 2 and then 3.  
Odd and even numbers to 100.  
Doubles and halves to 20.  
Number bonds to 10, 20 and 100 (in tens).

Go to <https://www.topmarks.co.uk/maths-games/daily10> for a fun way of doing this. Level 1 and Level 2 are the correct levels for you to use.

**\*Don't forget to practise your 2, 5, 10 and 3 times tables please!**

2. Daily Maths lessons for Week 12 can be found at <https://whiterosemaths.com/homelearning/>

Click onto Year 2 and you will find explanation videos. I have attached the worksheets and answers for you separately.

3. Don't forget you can also use Mathletics too. Your password should be stuck at the back of your reading diary.
4. There is also a daily Maths lesson on BBC Bitesize-Home Learning- Year 2
5. Also on <https://www.thenational.academy/online-classroom>

- RE for this week- Treasures  
We are God's Treasures.

Can you describe and give reasons for some of the ways religion is lived out by believers in the way they treasure God's world?

Watch the presentation that is attached to help you.

Draw some of the ways that God is taking care of different people around the world today.

How is God taking care of you?

Extension: How is CAFOD taking care of God's world?

- Science for this week:

This is the end of our topic about Plants. You could draw a beautiful picture of different flowers and plants you know. Then complete the assessment sheet that is attached to see how much you have learnt about plants this term. Make sure you are looking after your sunflower seeds if you did manage to plant some.

- Topic work

This week we will finish our work on Brazil by thinking again about carnivals. As you found out in the presentation last week, carnival-goers also like to wear colourful masks. Please make your own carnival mask. You could do this by completing one of the templates I have attached or you could make your own from scratch. Add sequins and feathers if you can as it should be big, wild, bright and colourful. Please send me a photo of you wearing your mask if you can!

Have a lovely week and don't forget to have lots of fun with your family! Remember to water your sunflower seeds if you planted them! Don't forget to get in touch with me by email. Those of you joining us for the Zoom session online, I will see you on Wednesday!!

Missing you all so much,

Lots of love, Mrs Carberry
