

/oa/ Phoneme Family Story

Be a phoneme detective and underline the words with the /oa/ phoneme. Look at the /oa/ phoneme family sheet to find the different ways of spelling the phoneme /oa/. Write the words you find in the correct column on the phoneme family sheet.

There was an old toad who lived at the end of my road. He was slow and took a long time to go home. When he was cold he got his coat. One day the toad started to grow. Soon he was too big for his boat. He moaned about being alone as he rode along the flow of the river. He stopped by a big stone when it started to snow. He said "oh no!" Poor toad.
