

Home Learning for Year 2 – Week Commencing Monday June 15th

Hello again! Welcome to another week of Home Schooling! Here are some suggestions of activities to try this week.

- Don't forget to begin each day at 9am with a little exercise so try Joe Wicks at **The Body Coach TV on You Tube**. Don't forget it is important you also get outside for some fresh air and exercise!
- Also, don't forget to try the Daily Lessons on BBC Bitesize. Go on Home Learning and Year 2 and you will find lots of lessons to choose from in all areas of the curriculum.
- The other website to try is <https://www.thenational.academy/online-classroom>

- **Literacy for this week:**

Phonics-

1. Try <https://www.phonicsplay.co.uk/>

This site is free for now and the username is 'march20' and the password is 'home'.

Try the activities in Phase 5 and 6.

2. You could also go on Twinkl Parents Hub, English and look at the activities and PowerPoints for Phonics Phase 6.

Writing-

1. This week we will focus on 'Past and Present Tenses'. There is a presentation for you to look at with practice activities to help you understand. I have also attached some worksheets from the Twinkl website for you to download and complete. Sentences can be written in your blue books.
2. This week is World Refugee Week. There is a fact file for you to read, a presentation for you to look at and a story all attached. Find out all about refugees then write a fact file in your blue book. You could also write a letter home, pretending you are a refugee and have just arrived in a new country.

Reading-

1. Read any book, magazine or comic for at least 10 minutes each day.
2. Read the reading comprehension that is attached. It is all about Refugees. There are 2 differentiated comprehensions for you to choose from.
3. Don't forget you can also use Reading Eggs. Your password should be at the back of your Reading Diary.

- **Maths for this week**

1. Essential mental maths skills that should be practised daily:
Addition and subtraction of numbers to 20.
Multiplication and division facts for 10, 5, 2 and then 3.
Odd and even numbers to 100.
Doubles and halves to 20.
Number bonds to 10, 20 and 100 (in tens).

Go to <https://www.topmarks.co.uk/maths-games/daily10> for a fun way of doing this.

***Don't forget to practise your 2, 5, 10 and 3 times tables please!**

2. Daily Maths lessons for Week 8 can be found at <https://whiterosemaths.com/homelearning/>

Click onto Year 2 and you will find explanation videos. I have attached the worksheets and answers for you separately.

3. Don't forget you can also use Mathletics too. Your password should be stuck at the back of your reading diary.

4. There is also a daily Maths lesson on BBC Bitesize-Home Learning- Year 2

5. Also on <https://www.thenational.academy/online-classroom>

- **RE for this week-Rules**

Peter came to Jesus and asked,
“If my friend keeps hurting me, how many times do I have to forgive him? Seven times?”

“No, not seven times,” answered Jesus, “but seventy times seven.”

Based on Matthew 18: 21-22

Can you write a sorry prayer?

Think for a moment about all the things you have done wrong and that you regret.

Say sorry to God for doing these things.

Ask God for His forgiveness and his help so that you will be a better person in future.

End your prayer with ‘Amen’.

- Science for this week:

We are continuing our new Science topic looking at Plants and Trees. This week we are learning about the life cycle of a plant. There is a presentation attached to teach you about this and then a follow up cutting and sticking sheet. Make sure you order the pictures correctly. If you can't print the sheet, then draw the life cycle into your book.

- Topic work

This week our focus is on the country of Brazil. This is where you would find the Amazon Rainforest. I have attached a map of the continent of South America for you to look at. Find Brazil on the map, then look at the other countries to be found in South America. Underneath that map is a map of the country of Brazil and this includes some of the main cities there. When you have had a good look at this, try to complete the labels on the empty map of South America that is also attached.

Have a fantastic week and let's hope the weather improves so that you can all get outside. Some of you have been emailing me each week with your work and your news about what you have been up to. I have loved receiving these emails and your photographs have really made my day. Those of you who haven't emailed me yet, I would love to hear from you. Send me a letter or a photo! I am now in school teaching Year 1 so I don't have so much time to phone everybody individually but I would certainly make time to reply to emails.

Missing you all,

Love, Mrs Carberry
