

Y3 Lessons: Week commencing June 22nd - Summer 2

Hi everyone! I hope you are well. Feel free to copy these ideas or do whatever suits your family best. Be aware that the Maths is in order of how it should be learnt, so if you miss any just pick up where you left off to avoid gaps.

Maths - On White Rose.

Follow the link below- click 'Summer Term - Week 7' to watch the video.

Worksheets are on the St Mary's website.

Lesson 1: Equivalent fractions 1

Lesson 2: Equivalent fractions 2

Lesson 3: Equivalent fractions 3

Lesson 4: Equivalent fractions 4

Lesson 5: Challenge - BBC Bitesize challenges (See www.bbc.co.uk/bitesize)

Please logon to: <https://whiterosemaths.com/homelearning/year-3/> to access the video. The worksheets are no longer available so please find these on the Y3 page.

Please work Flashback 4 - multiplication and division (see last week)

Literacy - 'Goblins'

Open up the document from last week - this will have all the learning materials needed and the links you will need. If you do not have a printer, just write your work in your jotter.

Read pages 1-6. Complete pages 12-16. The rest is to be completed next week.

Lesson 1: Adverb game

Lesson 2: Drop in clause

Lesson 3: Sub headings

Lesson 4: Plan

Lesson 5: Begin to write (this will take time so may be done next week)

I have attached '60 second reads'. This is a short read that comes with skill-based questions for you to ask your child. The questions are colour-coded so that you can see which type of question you are focusing on.

Summer topic - Now that we know all about Spain, I want us to think more about where you live (your local area).

If possible, use Google Earth <https://earth.google.com/web/> to locate England, Zoom back out and then type in 'Nottingham'. Where do you think you live in Nottingham?

Type in where you live e.g. Mapperley and watch as you zoom in. You will see where you live from above - this is called a bird's eye view!

Task - Write down everything you can see.

Are there many houses? What do they look like?

Are there any shops? Can you name them?

Is there a park?

Is there a church?

Can you see a school?

Use your jotter to write down your observations.

Science - Light

Week 1 included a list of website that have easy home experiments if you wish to do anything exciting outside of our topic. There was also a science scavenger hunt to explore different materials!

Last week you looked at how to keep your eyes safe from the sun's rays.

This week we are going to think about how we can protect our entire bodies from the sun!

Go through the PowerPoint - complete the mini quiz.

Using what you have learnt, create a sun safety poster or leaflet.

R.E - Last week we looked at the story of the Prodigal Son. This is a story of forgiveness. This week we are going to think about the Sacrament of reconciliation (it is sometimes called confession).

There are 3 steps to making a new start:

1. To recognise and admit purposeful wrong doing
2. To say sorry and ask for forgiveness for the wrongdoing and really mean it.
3. To make up in some way for the hurt/harm caused.

Think of time you have done something wrong. This could be to drop litter, have an argument with a sibling, maybe you broke something or lied about it.

When you've thought about it, write a sorrow prayer and talk to God. Ask him for forgiveness. Tell him what you will do to make amends.

P.E - Use the list of links I attached week 1. There are additional resources on the website.

Art - See the attached series of planning (Van Gogh) from week 1 for the Summer Term. Additional ideas were added to week 1's resources.

D&T - I am leaving this open ended as I know it is difficult to source materials at the moment.

Idea 1 - I have attached a 30 day Art/DT challenge sheet with lots of fun ideas!

Idea 2 - Help a family member to cook/bake using a recipe of your choice (ingredients permitting)

Below is a 'life skills' challenge. Try to complete one task each day or every other day! Be mindful that learning the time will take much longer than 1 day to master!

30 Day Life Skills Challenge
© The Mum Educates

Day 1 Learn how to load and unload the washing machine. 	Day 2 Make your bed. 	Day 3 Learn to wrap a gift. 	Day 4 Cook a new meal from whatever you have in the fridge. 	Day 5 Make your own breakfast. 
Day 6 Learn to tie your shoelaces. 	Day 7 Learn to stitch a button. 	Day 8 Learn to tell the time in both digital and analogue clock. 	Day 9 Set a dinner table for your family. 	Day 10 Sort the recyclable bins. 
Day 11 Make a cucumber or cheese sandwich. 	Day 12 Wash a dish or pot. 	Day 13 Learn to use a knife and fork. 	Day 14 Read a book and act out a scene from it. 	Day 15 Girls: Learn to plait hair. Boys: Do a cool hairstyle. 
Day 16 Clean your bedroom. 	Day 17 Know your full name, phone number and complete home address. 	Day 18 Learn how to use a vacuum cleaner. 	Day 19 Plant a herb and take care until it grows. 	Day 20 Hang the clothes out to dry. 
Day 21 Dress yourself. 	Day 22 Hang clothes on a hanger. 	Day 23 Learn to fold clothes. 	Day 24 Mop one room in your house. 	Day 25 Clean your kitchen shelves. 
Day 26 Peel vegetables safely. 	Day 27 Know who to call in an emergency. 	Day 28 Iron a pillowcase and put it on the pillow. 	Day 29 Know when to use 999 and when to use 111 emergency services. 	Day 30 Tidy your toys. 

Non-negotiables:

Times tables - mixed 3s, 4s and 8s.

Add and take away money.

Use the 'Flashback 4' Maths for arithmetic style questions (complete last weeks).

Summer Term 2 - week 4 spellings.

**Please feel free to email me to tell me what you have been up to during the lockdown.
Also, feel free to send any work you are proud of to Robyn.Hill@smca.nottingham.sch.uk*

Thank you, take care and stay safe!
