

Y4 Lessons: Week commencing July 6

Hi Y4, I hope you're all keeping well – here's the work for this week. Any questions please e-mail me at the address below. Take care, stay safe and enjoy the sunshine when it's out!

Maths (in the Summer Term Week 11 section onwards)

Lesson 1: Identify angles

Lesson 2: Compare and order angles

Lesson 3: Triangles

Lesson 4: Quadrilaterals

Lesson 5: Make The Shape Activity (see worksheet)

Please logon to: <https://whiterosemaths.com/homelearning/year-4/> to access the videos to go with these worksheets.

Literacy

Lesson 1: Write your own story from a starter...

Lesson 2: Spelling/Direct speech

Lesson 3: Write your own story from a starter 2...

Lesson 4: Sound waves reading comprehension

Lesson 5: Write your own story from a starter 3...

Share your story with a family member(s) - why not record it and email it to me!

R.E

God's People. Take a look at the slides for the reflection lesson for this topic please. You will also need the star template.

Geography

Pick a seaside resort from the UK (not Whitby) and one from another European country (not Alicante). Then research both on the internet and write a comparison between the two. Think about: Population, location, weather, amenities, industry and tourism. If want to separate it into sections and includes photos, that would be great.

Music

Watch Beyonce's Halo: (<https://www.youtube.com/watch?v=bnVUHWcYnig>) now think about:

-What instruments can you hear?

-What do you think the lyrics mean?

(<https://www.azlyrics.com/lyrics/beyonceknowles/halo.html>)

Non-negotiables to practise:

Times tables up to 12 x 12 and telling the time: 12 to 24-hour clock.

Please feel free to e-mail me what you have been up to during the lockdown!

Also, send any work you are proud of to: lawrence.poole@smca.nottingham.sch.uk
