

Home Learning Year 5 Week commencing 1st June 2020

Hello Year 5! We hope you had a good half term last week and enjoyed the glorious sunshine! We hope you and your families are all continuing to keep safe and well. Please remember to email me your photos of you reading so we can add them to the website. Thank you to those of you who have sent them already.

An alternative to Joe Wicks' daily video is Miss B's own demo videos on our home learning page – just scroll down to the PE section.

Resources for prayer at home will be regularly updated at www.beinspirational.co.uk so please make use of these, alone or with your family, too.

Work for any following weeks will be uploaded in time for each new week so check back each Monday to find your work for that week!

Stay safe,

Mrs Nicholson and Mrs Moss

Maths - <https://whiterosemaths.com/homelearning/year-5/>

Please continue to use the link above to access daily maths lessons. You should now be on Week 6 Summer term. The link provides a teaching video, but the questions and answers are now available on our school home learning page.

There is also a pdf doc attached called 'Fluent in Five'. Please complete 5 arithmetic questions a day.

Extra maths lessons can be found on the link below. They provide a daily lesson for Year 5/6:

<http://www.iseemaths.com/lessons56/>

Don't forget to practice your times tables and access Mathletics using your login details. This is also a good opportunity to sharpen up your skills with telling the time!

English – <https://www.bbc.co.uk/bitesize>

Please continue to use the link above to access the daily English lessons for Year 5. I would like you to do the daily English lesson on here as it provides a good model for teaching grammar. Watch the videos, complete the online games/tasks and then have a go at the written activities, either in your drafting books or on paper.

Of course, you can also do the extra maths and other subjects if you like!

Writing task – See separate sheet for activity, instructions and planning sheet.

Reading - <https://www.storynory.com/>

Please continue to read at least 3 times a week and write comments in your diaries. The link above gives access to free audio books – there are lots of different genres to choose from!

RE –Sacrifice – Lesson 3 – Lent, The arrest of Jesus.

Please see the separately attached sheets for instructions and the activity.

Science – <https://www.rigb.org/families/experimental>

The link above will take you to a website that has lots of experiments that can be easily completed at home. Choose the ones that appeal to you, watch the video, and have a go at the experiment!

Geography – <https://www.youtube.com/watch?v=T8lk3Nt05RI>

The link above gives a quick tutorial about 8 point compass points. Watch the video and have a go at the activity on the sheet.

Art – You have the document on the website from week beginning 20th April that will guide you through a weekly session.

An alternative could be to use the following link to watch and replicate the tutorials.

<https://www.youtube.com/watch?v=7GaETZJ8oMI> This link will take you to a tutorial for a ladybird but there are lots of other options on the #artforkidshub You Tube channel.

Music - You have the document on the website from week beginning 20th April that will guide you through a weekly session.
