

## Home Learning for Year 2 – Week Commencing Monday June 29<sup>th</sup>

Hello again! Welcome to another week of Home Schooling! Here are some suggestions of activities to try this week.

- Don't forget to begin each day at 9am with a little exercise so this week you could try one of Miss B's dance routines or sports activities on the school website.  
Don't forget it is important you also get outside for some fresh air and exercise!
- Also, don't forget to try the Daily Lessons on BBC Bitesize. Go on Home Learning and Year 2 and you will find lots of lessons to choose from in all areas of the curriculum.
- The other website to try is <https://www.thenational.academy/online-classroom>

- **Literacy for this week:**

### Phonics-

1. Try <https://www.phonicsplay.co.uk/>

This site is free for now and the username is 'march20' and the password is 'home'.

Try the activities in Phase 5 and 6.

2. You could also go on Twinkl Parents Hub, English and look at the activities and PowerPoints for Phonics Phase 6.

### Writing-

1. This week we will focus on 'Suffixes-less and ful'. This is where you add extra letters onto the end of a word to make a new word with a new meaning. So colour becomes colourful or care becomes careless. There is a presentation for you to look at with practice activities to help you understand. I have also attached some worksheets from the Twinkl website for you to download and complete. Sentences can be written in your blue books.
2. This week the focus for your writing will be the story of The Hare and The Tortoise. There is a presentation about the story attached, as well as a storyboard and book review for you to complete. You could also rewrite the story in your own words in your blue books.

### Reading-

1. Read any book, magazine or comic for at least 10 minutes each day.
2. Read the reading comprehension that is attached. It is all about birds that you might be able to spot in your garden. There are differentiated comprehensions for you to choose from.

3. Don't forget you can also use Reading Eggs. Your password should be at the back of your Reading Diary.

- **Maths for this week**

1. Essential mental maths skills that should be practised daily:  
Addition and subtraction of numbers to 20.  
Multiplication and division facts for 10, 5, 2 and then 3.  
Odd and even numbers to 100.  
Doubles and halves to 20.  
Number bonds to 10, 20 and 100 (in tens).

Go to <https://www.topmarks.co.uk/maths-games/daily10> for a fun way of doing this. Level 1 and Level 2 are the correct levels for you to use.

**\*Don't forget to practise your 2, 5, 10 and 3 times tables please!**

2. Daily Maths lessons for Week 10 can be found at <https://whiterosemaths.com/homelearning/>

Click onto Year 2 and you will find explanation videos. I have attached the worksheets and answers for you separately.

3. Don't forget you can also use Mathletics too. Your password should be stuck at the back of your reading diary.

4. There is also a daily Maths lesson on BBC Bitesize-Home Learning- Year 2

5. Also on <https://www.thenational.academy/online-classroom>

- **RE for this week-**

**This week we begin our new Come and See Topic called Treasures**

Can you talk and answer questions about things you treasure in God's world?  
(AT2 i)

What is it that you treasure in this world? Think of something that is very precious and special to you. This could be a 'thing' that you love or it could be a photograph of a person or a place that you love. Draw a picture of it then answer the questions:

What makes it so special to you?

Extension question:

How should we treat the treasures of God's world?

- Science for this week:

We are continuing our new Science topic looking at Plants and Trees. This week we are learning about the plants we eat. There is a presentation attached to teach you about this and then a sheet to complete. Make sure you are looking after your sunflower seeds if you did manage to plant some. Some people have sent me photos of their plants growing so thank you for that!

- Topic work

This week we will continue to look at Brazil. Below you can see a timetable of Ronaldo's day. He is a school boy and he lives in a city called Sao Paulo in Brazil. Look at what he does throughout the day. Now think about what we do at school each day normally. There is a sheet attached for you to complete about our normal school day.

### Ronaldo's Daily Routine

	<b>Half past 6</b>	I get up, get dressed, walk to school with my sisters then have breakfast there.
	<b>Quarter past 7</b>	School begins and today I start with Portuguese and History.
	<b>10 o'clock</b>	It's lunch! My favourite meal is rice with beans and salad.
	<b>Half past 10</b>	Back to class for lessons and it's my favourite, P.E!
	<b>11 o'clock</b>	It's the end of my school day so I walk back home with my sisters. I get changed and Mum lets me play out for a while.
	<b>1 o'clock</b>	I come inside and do my chores, today I'm washing clothes.
	<b>3 o'clock</b>	I take a nap because this is the hottest part of the day.
	<b>5 o'clock</b>	I wake up and have a snack then do my homework.
	<b>Half past six</b>	I relax in front of the TV for a while with my little brother.
	<b>9 o'clock</b>	It's tea time. I eat with all my family then afterwards, I go to bed. Goodnight!

**This is Ronaldo.  
He lives in São Paulo.**

Have a lovely week and don't forget to have lots of fun with your family! Remember to water your sunflower seeds if you planted them! Don't forget to get in touch with me by email. I absolutely love receiving your news, work and photos to look at. I will always get back to you as soon as I can, but remember I am in school teaching during the day so it might not be an immediate response. Missing you all so much,  
Lots of love, Mrs Carberry
