Sunflower Plant Life Cycle

I can explain the life cycle of plants.

Cut and stick the life cycle of a sunflower plant in the correct order.

Four empty rectangular boxes arranged in a 2x2 grid, connected by arrows indicating a clockwise cycle:

- Top-left box: empty with a horizontal line near the top and bottom.
- Top-right box: empty with a horizontal line near the top and bottom.
- Bottom-right box: empty with a horizontal line near the top and bottom.
- Bottom-left box: empty with a horizontal line near the top and bottom.

Arrows show the sequence: Top-left to Top-right, Top-right to Bottom-right, Bottom-right to Bottom-left, and Bottom-left to Top-left.
