## Introduction: Making music make a difference at St Mary's Academy

We believe that music can make a difference to all children's lives, helping them to grow and develop their own identity, as a source of joy, self-worth, achievement and personal fulfilment, and as a tool for social cohesion.

Our vision is to provide a world-class music education for all our young people and support them to become their very best. We are committed to providing inspiring musical opportunities and progression routes that are accessible and inclusive and to overcome any barriers caused by the economic disadvantage of Nottingham city, particularly our local area Hyson Green. We believe that music is at the heart of our Catholic community and our wider community in Hyson Green. Our children come from a wide range of cultural backgrounds and we aim to celebrate our cultural diversity, through the active listening to and engagement in a range of music from the different cultures and traditions linked to our school and wider community. We strive to develop children's pride in their heritage and appreciation of others' religions, cultures and traditions and we use music as one of the vehicles for achieving this.

This framework for music progression across EYFS, key stages 1 and 2 has been developed by teachers and leaders from the Nottingham Schools Trust, Nottingham Music Hub and St Mary's Music Lead. The intention is to provide a carefully planned progression route that integrates the work of the school curriculum and Nottingham Music Hub initiatives into a framework where all aspects work together, **aligned with the DfE Model Music Curriculum** and meet the requirements of the Statutory Framework for the early years foundation stage (aligned with Development Matters and Musical Development Matters in the Early Years), the National Curriculum for music and the DfE National Plan for Music Education.

We want to ensure that all children:

- learn to sing and play a musical instrument with musical understanding and control.
- have opportunities to develop their musical skills further, inspiring them to engage in musical activity throughout their lives.
- feel the communal bonding experience of playing and singing with others, being part of something greater than themselves.
- experience the joy and satisfaction of creating their own music.
- develop a deep understanding and love of music from a wide range of cultures and traditions that will grow throughout their lives.
- know they are able to contribute to and be part of the cultural life and identity of Nottingham.

## Summary of city music progression framework and expected standards

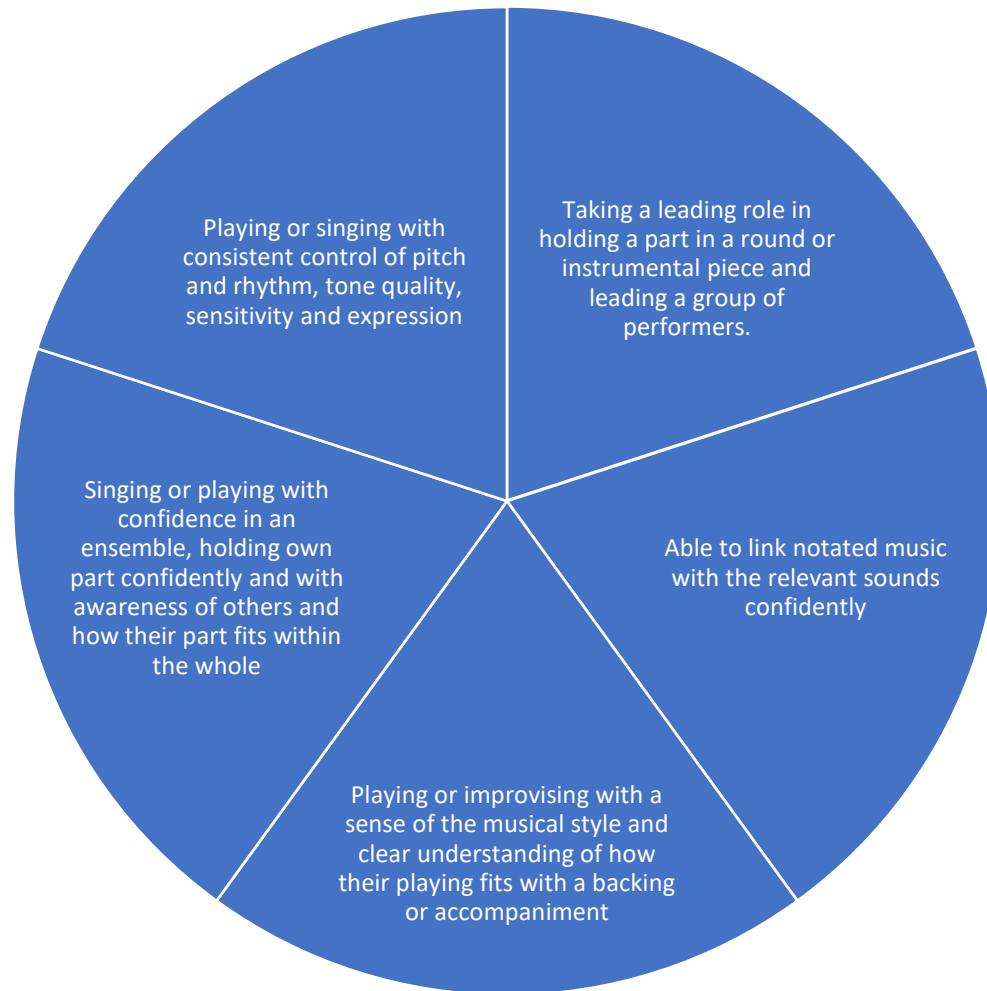

By the end of F2 most children should be able to:	By the end of Y2 most children should be able to:	By the end of Y4 most children should be able to:	By the end of Y6 most children should be able to:
<b>SINGING</b>			
Sing in a group or on their own, increasingly matching the pitch and following the melody.	Sing songs across a narrow pitch range of 5 notes with vocal control, accurate pitch and musical expression.	Sing songs within an octave range that include small and large leaps, with accurate pitch, musical expression and understanding of the principles of good singing.	Perform songs with appropriate musical style across a range of traditions, with accuracy of pitch and rhythm, musical phrasing, a sense of ensemble and with growing control of the principles of good singing.
Sing a small range of well-known nursery rhymes and songs with repetitive patterns.	Copy back short phrases from a song accurately	Hold own part in a round or 2-part song	Hold a harmony part or part in a 3- or 4-part round with confidence
<b>LISTENING</b>			
Listen attentively, talk about and move (increasingly in time) to music, expressing feelings and responses.	Listen actively to pieces of music, memorising and recognising key musical ideas and identifying when musical elements change	Use focused listening and aural memory to identify notated rhythms/pitch patterns and musical concepts such as metre, bars, melody/accompaniment, chords/harmony, dynamics and texture.	Use focused listening, aural memory and musical vocabulary to identify musical ideas from staff notation; and musical features such as chord patterns, syncopated rhythms, musical structures, instrumental playing techniques and use of technology.
Begin to develop a basic understanding, through listening to music from different times, places and traditions, that music changes and that connections can be made with stories, characters and the world around them.	Show a basic understanding that the sound of different pieces of music reflects the time, place and tradition that it comes from.	Show understanding of the origins and context of music across a range of cultural traditions, identifying the time, place and common instruments/ensembles used in that tradition.	Identify a wide range of different musical traditions and their characteristic musical features, including those seen across communities in Nottingham; identify specific pieces of music heard over their time in school, showing understanding of the origins and context of the music.

By the end of F2 most children should be able to:	By the end of Y2 most children should be able to:	By the end of Y4 most children should be able to:	By the end of Y6 most children should be able to:
<b>COMPOSING &amp; IMPROVISING</b>			
Explore and engage in music making, performing solo or in groups. Create music based on a theme.	Choose and combine sounds as appropriate for a story or other stimulus, varying musical elements to reflect changing moods	Compose an imaginative group piece inspired by music listened to, with a clear musical structure and making effective use of instruments played by the class.	Use instruments, voices or music technology/apps to compose music with a clear structure, use of chords and a variety of textures/timbres; review and refine draft versions into final pieces
Begin to improvise a simple rhythm.	Improvise simple musical conversations	Improvise solo for 1 or 2 bars over a backing track, using a limited range of pitches; improvise question and answer phrases	Improvise pieces freely, with a growing sense of character and musical shape, and improvise around a fixed groove, adjusting ideas to fit with chord changes.
Use visual picture cards introduced when exploring independently as an individual or within a group – stop/go, loud/quiet, fast/slow	Use visual symbols to represent a musical map of composed pieces	Compose short musical phrases to perform on the instrument they are learning, using rhythm notation and letter names.	Compose and notate longer melodic phrases with rhythmic variety, using a specific scale or key, and adding an accompaniment pattern
<b>MUSICIANSHIP (EYFS to Y2) →</b>		<b>PERFORMING &amp; READING NOTATION (Yr3-6)</b>	
Move in time to the pulse/beat of the music being listened to.	Show through movement that they can feel the pulse/beat of a piece, and distinguish between music in 2 and 3 time	Demonstrate skills on a musical instrument with control of basic instrumental technique; pitch a small range of notes accurately, with simple musical expression, playing in time with a backing track and following a conductor.	Perform confidently in a mixed instrument ensemble, showing awareness of their role in the music, blending and balancing with other performers, following visual cues from a conductor for timing and musical expression.
Tap rhythms to accompany words. Create rhythms using instruments and body percussion.	Copy back and create rhythms, and use stick notation to represent simple rhythms.	Learn to play short melodies across a small range of pitches by ear, with musical expression, and from simple staff notation; be able to recall them accurately later.	Play melodies and accompaniments using notes within an octave range, both by following staff notation and worked out by ear, with increasing accuracy, fluency, control and expression.

By the end of F2 most children should be able to:	By the end of Y2 most children should be able to:	By the end of Y4 most children should be able to:	By the end of Y6 most children should be able to:
Reproduce the pitch of a tone sung by another	Identify when pitch goes up, own or stays the same	Link sound with rhythm notation symbols for minims, crotchets, paired quavers and rests; and link rises and falls of pitch with note position on the stave	Understand and play from music notation and expression marks commonly found in a simple band or orchestra part

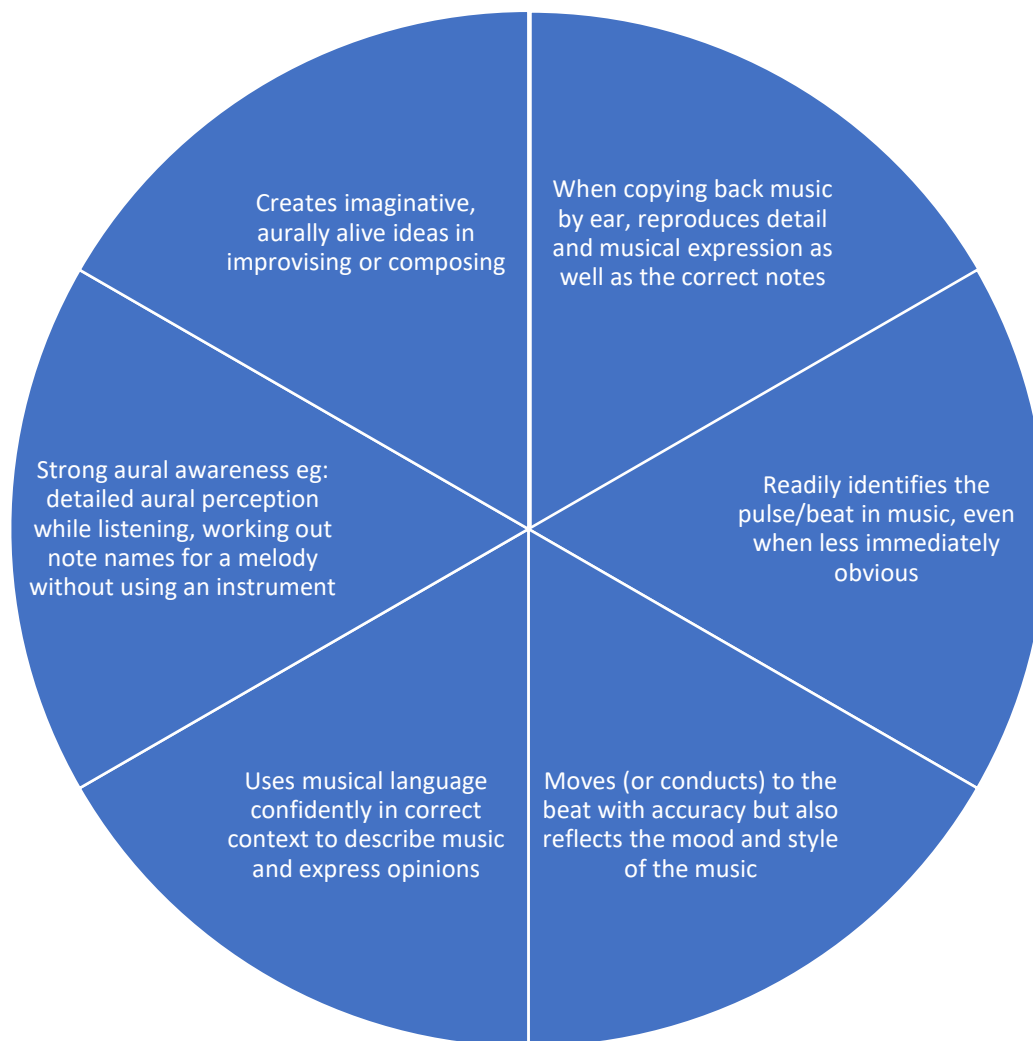

## Indicators of 'Working at greater depth'

Working at greater depth is not just about doing more or playing harder pieces – it is about the depth of musical understanding and engagement. For example, taking a grade exam or singing or playing in a school or music hub choir or band may well provide excellent opportunities to demonstrate greater depth, but just taking part would not, in itself, demonstrate that.

Indicators of working  
at greater depth 1/3:

Singing, performing  
and notation

Indicators of working at greater depth 2/3:

Listening and aural awareness

Indicators of working at  
greater depth 3/3:

Depth of Understanding

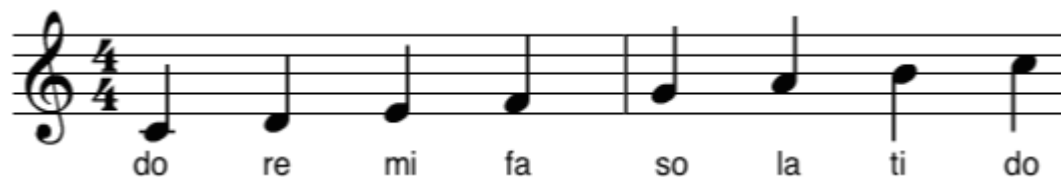

## Notes for progression framework

There are a growing number of resources to help support this progression framework on the [Nottingham Music Hub website](#) and the password protected Music Hub Progression Framework SharePoint site (via Sarah Hayes, Music Lead).

Highlighting has been used across the framework to show how some resources link to specific concepts or expected standards.

Throughout the framework **MMC** = the [DfE Model Music Curriculum](#)

The MMC uses the tonic sol-fa method to describe the pitch range of songs suitable for different year groups.

The progression framework has been numbered for easy reference. Please use this format to refer to specific expected standards eg:

**3P1** = Year 3, Performing, Point 1

**2M7** = Year 2, Musicianship, point 7

**5C3** = Year 5, Composing & Improvising, point 3

**4R1** = Year 4, Reading Notation, point 1

**1S2a** = Year 1, Singing, point 2a

**6L3** = Year 6, Listening, point 3

# The Nottingham Music Progression Framework for St Mary's Academy (EYFS to Y6)

## Nursery (F1)

<b>Nursery</b> <i>By the end of Nursery most pupils should be able to:</i>	<b>SINGING – Singing and Vocalising (New DM)</b>	<b>KEY CONCEPTS / Vocabulary / Sticky Knowledge</b>	<b>LISTENING – Hearing and Listening</b>
	<ol style="list-style-type: none"> <li>Increasingly remember and sing entire songs (e.g. nursery rhymes, pop songs, songs from TV programmes, songs from home).</li> <li>Create their own songs, or improvise a song around one they know (e.g. changing some or all of the words of a song).</li> <li>Begin to sing the melodic shape (moving melody, such as up and down, down and up) of familiar songs.</li> <li>Sing the pitch of a tone sung by another person ('pitch match').</li> <li>Create sounds in vocal sound games</li> </ol>	<p>Follows melodic shape (Pitch)</p> <p>Quiet/loud (dynamics)</p> <p>Fast/slow (tempo)</p> <p>Conductor picture cards – stop/go, loud/quiet, fast/slow</p>	<p><i>Through active listening to a range of music from different cultures and traditions (help children to recognise that music is not limited to "types" of people):</i></p> <ol style="list-style-type: none"> <li>Listen with increased attention to sounds (New DM). <ul style="list-style-type: none"> <li>identify and match an instrumental sound (e.g. hear a shaker and indicate that they understand it is a shaker)</li> <li>describe the sound of instruments (e.g. scratchy sound, soft sound).</li> </ul> </li> <li>Respond to what they have heard, expressing their thoughts and feelings (New DM). <ul style="list-style-type: none"> <li>physically interpret the sound of instruments e.g. tiptoes to the sound of a xylophone (Moving and Dancing).</li> <li>create visual representation of sounds, instruments and pieces of music (e.g. mark making to specific sounds or pieces of music).</li> <li>physically imitate the actions of musicians e.g. pretends to play the trumpet, piano, guitar (Moving and Dancing).</li> <li>talk about their thoughts and feeling linked to the music heard.</li> </ul> </li> <li>Matches music to pictures/visual resources.</li> </ol>
	<b>Exploring and Playing</b>	<b>MUSICIANSHIP – Moving and Dancing</b>	<b>MUSICIANSHIP – Singing and Vocalising</b>
	<ol style="list-style-type: none"> <li>Play instruments with increasing control to express their feelings and ideas.</li> <li>Adds sound effects to stories using instruments.</li> <li>Leads or is led by other children in their music making - being a conductor.</li> <li>Listens and responds to others in pair/group music making.</li> <li>Operates equipment such as CD players, MP3 players, handheld devices, keyboards.</li> <li>Plays instruments with control to play loud/quiet, (dynamics), fast/slow (tempo).</li> <li>Shows control to hold and play instruments to produce a musical sound (e.g. holding a triangle in the air by the string with one hand and playing it with a beater with the other).</li> </ol>	<p><b>Moving and Dancing - Pulse and Beat</b></p> <ol style="list-style-type: none"> <li>Clap or tap to the pulse of the music/song.</li> </ol>	<p><b>Singing and Vocalising - Pitch</b></p> <ol style="list-style-type: none"> <li>Sing the pitch of a tone sung by another person ('pitch match').</li> <li>Create sounds in vocal sound games.</li> </ol>

## Reception (F2)

F2 By the end of F2 most pupils should be able to:	SINGING – Singing and Vocalising	KEY CONCEPTS / Vocabulary / Sticky Knowledge	LISTENING – Hearing and Listening
	<ol style="list-style-type: none"> <li>1. Sing entire songs.</li> <li>2. Sing the melodic shape, e.g. up and down/down &amp; up, of familiar songs.</li> <li>3. May perform solo and/or in groups.</li> <li>4. Internalise music, e.g. sing songs inside head</li> <li>5. Pitch match - reproduce the pitch of a tone sung by another</li> <li>6. Combine moving, singing and playing instruments, e.g. marching, tapping a drum whilst singing (Moving and Dancing)</li> </ol>	<p><i>Follows melodic shape (Pitch)</i></p> <p><b>Quiet/loud (dynamics)</b></p> <p><b>Fast/slow (tempo)</b></p> <p><b>Rhythm</b></p> <p><b>Pulse/beat</b></p> <p><i>Conductor picture cards – stop/go, loud/quiet, fast/slow</i></p>	<p><i>Through active listening to a range of music from different cultures and traditions (help children to recognise that music is not limited to “types” of people):</i></p> <ol style="list-style-type: none"> <li>1. Think abstractly about music and expresses this physically or verbally, e.g. “This music sounds like dinosaurs”</li> <li>2. Distinguish and describe changes in music, e.g. “this music started fast and then became slow.” “This music was spiky/smooth.”</li> <li>3. Associate genres of music with characters and stories.</li> <li>4. Accurately anticipate changes in music, e.g. when music is going to get faster, louder, slower.</li> <li>5. Move to the sound of instruments, e.g. walk, jump, hop to the sound of a beating drum (Moving and Dancing)</li> </ol>
	EXPLORING AND PLAYING	MUSICIANSHIP - EXPLORING AND PLAYING	MUSICIANSHIP (contd.) - EXPLORING AND PLAYING
	<ol style="list-style-type: none"> <li>1. Create music based on a theme, e.g. create the sounds of the seaside.</li> <li>2. Play instruments to match the structure of the music, e.g. playing quietly with quiet parts within music, stopping with the music when it stops.</li> <li>3. Find and record sounds using recording devices.</li> </ol>	<p><b>Pulse/Beat</b></p> <ol style="list-style-type: none"> <li>1. Keep a steady beat whilst playing instruments – his/her own steady beat in own creative music making.</li> <li>2. May play along to the beat of the song they are singing or music being listened to.</li> <li>3. Move in time to the pulse of the music being listened to and physically respond to changes in the music, e.g. jump in response to loud/sudden changes in the music (Moving and Dancing)</li> </ol> <p><b>Rhythm</b></p> <ol style="list-style-type: none"> <li>4. Tap rhythms to accompany words, e.g. tapping the syllables of names/objects/animals/lyrics of a song.</li> <li>5. Create rhythms using instruments and body percussion.</li> <li>6. May play along with the rhythm in music, e.g. may play along with the lyrics in songs they are singing or listening to.</li> </ol>	<p><b>Pitch</b></p> <ol style="list-style-type: none"> <li>7. Pitch match - reproduce the pitch of a tone sung by another</li> </ol> <p><b>Other – Moving and Dancing (During PE)</b></p> <p><i>PE – Replicates familiar choreographed dances.</i></p> <p><i>PE – Choreographs his or her own dances to familiar music, individually, in pairs/small groups</i></p>

# Year 1

Year 1	By the end of year 1 most pupils should be able to:	SINGING	KEY CONCEPTS / Vocabulary / Sticky Knowledge	LISTENING
		<p>Using songs from the <a href="#">MMC repertoire list</a> or songs with an equivalent purpose:</p> <ol style="list-style-type: none"> <li>Sing simple songs, chants and rhymes from memory:               <ol style="list-style-type: none"> <li>singing collectively and at the same pitch</li> <li>keeping a steady pulse</li> <li>conveying different moods (happy, sad, angry)</li> <li>responding to simple visual directions (e.g. stop, start, loud, quiet) and counting in</li> </ol> </li> <li>Sing simple songs:               <ol style="list-style-type: none"> <li>with a very small range of 3 notes mi-so (e.g. <i>Hello, how are You</i>)</li> <li>with a slightly wider range (e.g. <i>Bounce High, Bounce Low</i>)</li> <li>pentatonic songs (e.g. <i>Dr Knickerbocker</i>).</li> </ol> </li> <li>Control vocal pitch and match the pitch they hear with accuracy in call and response songs (eg <i>Pretty Trees around the world, Kye Kule</i>)</li> <li>Start to engage at a basic level with principles of good singing including warm-ups; breathing; posture; dynamics; phrasing; context and vocal health (see appendix)</li> </ol>	<p>Pitch – higher and lower sounds</p> <p>Quiet and loud sounds – dynamics</p> <p>Pulse/beat</p> <p>Repeating rhythm patterns (ostinato)</p> <p>Pictures and symbols to represent sound - dot notation</p> <p>● ● ● ●</p> <p>NOTTINGHAM MUSIC HUB RESOURCES AND LINKS</p> <p><a href="#">Trad. Ghana: Kye Kye Kule</a>  <a href="#">NMS has music – also in Let your voice be heard</a></p> <p><a href="#">Rondo alla Turca (Mozart)</a> – <a href="#">see case study in MMC Appendix 3</a></p> <p><a href="#">Melody - CBeebies - BBC</a> – good for listening  <a href="#">Rocket Trip - CBeebies - BBC</a> – <a href="#">uses Mars from The Planets</a></p> <p>Links from BBC  <a href="#">EYFS / KS1 Music: Teaching high and low pitch - BBC Teach</a></p> <p><a href="#">Let's Get Moving</a>, <a href="#">Grandpa and Sam</a> and <a href="#">What's in the basket</a>  <a href="#">(Y1 table-top music making)</a> - password – <a href="#">blue370</a></p> <p>-</p> <p>See singing resource in appendix 3</p>	<p>Through active listening to a range of music from different cultures and traditions, as in the <a href="#">MMC foundation listening list</a> or suitable alternatives:</p> <ol style="list-style-type: none"> <li>Show a very basic understanding of the stories, origins, traditions, history and social context of the music they are listening to, singing and playing.</li> <li><a href="#">Listen to music and move or clap in time to the pulse</a>, changing movements as the pulse changes.</li> <li>Through movement and dance:               <ol style="list-style-type: none"> <li>Respond to the mood and character of music.</li> <li>Show awareness when the mood or character of a piece changes.</li> <li>Respond to differences in tempo (slow, fast) dynamics (loud/soft) and pitch (high/low)</li> </ol> </li> </ol>

Year 1	By the end of year 1 most pupils should be able to:		
	COMPOSING	MUSICIANSHIP	MUSICIANSHIP (contd.)
	<ol style="list-style-type: none"> <li>1. <b>Improvise simple vocal chants, using question and answer phrases.</b></li> <li>2. Explore the different sounds that can be produced from voice, body percussion and classroom instruments – timbre.</li> <li>3. Control playing to produce the longest, shortest, quietest, loudest sound.</li> <li>4. Create musical sound effects and short sequences of sounds in response to stimuli, e.g. a rainstorm or a train journey.</li> <li>5. Combine sounds to make a story, choosing and playing classroom instruments (e.g. rainmaker) or sound-makers (e.g. rustling leaves). See 'Musicianship' section.</li> <li>6. Understand the difference between creating a rhythm pattern and a pitch pattern.</li> <li>7. <b>Invent, retain and recall rhythm and pitch patterns and perform these for others, taking turns.</b></li> <li>8. Use music technology, if available, to capture, change and combine sounds</li> <li>9. <b>Recognise how graphic notation can represent created sounds. Explore and invent own symbols.</b></li> </ol> <p><i>Suggested music ICT apps to support this (see appendix for descriptions)</i></p> <p>iPad:</p> <ul style="list-style-type: none"> <li>• <i>Singing fingers</i></li> <li>• <i>Voice Changer Plus</i></li> </ul> <p>PC:</p> <ul style="list-style-type: none"> <li>• <a href="#">Voice Changer - Online &amp; Free</a></li> </ul>	<p><b>Pulse/Beat</b></p> <ol style="list-style-type: none"> <li>1. Walk, move or clap a steady beat with others, changing the speed of the beat as the tempo of the music changes.</li> <li>2. <b>Use body percussion and classroom percussion, maintaining a steady beat to play:</b> <ol style="list-style-type: none"> <li>a) <b>repeated rhythm patterns (ostinato)</b></li> <li>b) short, pitched patterns on tuned instruments</li> </ol> </li> <li>3. Respond to the pulse in recorded/live music through movement and dance, e.g. <ul style="list-style-type: none"> <li>○ <i>Stepping (e.g. Mattachine from Capriol Suite by Warlock)</i></li> <li>○ <i>Jumping (e.g. Trepak from The Nutcracker by Tchaikovsky)</i></li> <li>○ <i>Walking on tiptoes (e.g. Scherzo from Stravinsky's Firebird)</i></li> </ul> </li> </ol> <p><b>Rhythm</b></p> <ol style="list-style-type: none"> <li>4. <b>Perform short copycat rhythm patterns accurately, led by the teacher.</b></li> <li>5. <b>Perform short repeating rhythm patterns (ostinati) while keeping in time with a steady beat.</b></li> <li>6. <b>Perform word-pattern chants</b> (e.g. ca-ter-pil-lar crawl, fish and chips); create, retain and perform their own rhythm patterns.</li> </ol> <div>   </div>	<p><b>Pitch</b></p> <ol style="list-style-type: none"> <li>7. Listen to sounds in the local school environment, <b>comparing high and low sounds</b></li> <li>8. Sing familiar songs in both low and high voices and talk about the difference in sound</li> </ol> <p><b>Other</b></p> <ol style="list-style-type: none"> <li>9. <b>Follow pictures and symbols to guide singing and playing,</b> e.g. 4 dots = 4 taps on the drum. •••• </li> <li>10. Explore percussion sounds to enhance storytelling, e.g. <ul style="list-style-type: none"> <li>• <i>ascending xylophone notes to suggest Jack climbing the beanstalk</i></li> <li>• <i>quiet sounds created on a rainstick/shakers to depict a shower</i></li> <li>• <i>regular strong beats on a drum to replicate menacing footsteps</i></li> </ul> </li> </ol>

## Year 2

Year 2	By the end of year 2 most pupils should be able to:	SINGING	KEY CONCEPTS / Vocabulary / Sticky Knowledge	LISTENING
		<p>Using songs from the <a href="#">MMC repertoire list</a> or songs with an equivalent purpose:</p> <ol style="list-style-type: none"> <li>Sing songs with a pitch range of 5 notes (do-so) with increasing vocal control.</li> <li>Control pitching accurately in songs with a small pitch range and short phrases (e.g. <i>Rain, Rain Go Away</i>).</li> <li>Sing a range of songs:               <ol style="list-style-type: none"> <li>with clear words appropriate to age and ability</li> <li>with understanding of when to breathe</li> <li>with coordinated actions</li> </ol> </li> <li>Know the meaning of dynamics (loud/quiet) and tempo (fast/slow) and be able to demonstrate these when singing by responding to:               <ol style="list-style-type: none"> <li>the leader's directions</li> <li>visual symbols (e.g. crescendo, decrescendo, pause)</li> </ol> </li> <li>Copy back short phrases from a song and <b>identify where pitch rises, falls, or stays the same</b></li> <li>Demonstrate a basic understanding of principles of good singing including warm-ups; breathing; posture; dynamics; phrasing; context and vocal health (see appendix)</li> </ol>	<p><b>Pitch and pitch changes</b> (getting higher, lower, stays the same)</p> <p><b>Dot notation</b></p>  <p><b>Beats in groups of 2 and 3</b></p> <p>Changes in speed of beat - <b>tempo</b> (music with a <b>slow pulse</b>; with a <b>fast pulse</b>)</p> <p>Changes in <b>dynamics</b> (getting louder/quieter)</p> <p><b>Stick notation</b></p>  <p>Timbre (<b>different sounds created</b> by hitting, blowing plucking, bowing, through digital technology)</p> <p><b>NOTTINGHAM MUSIC HUB RESOURCES AND LINKS</b></p> <p><a href="#">Music Hub Singing Festivals/Summer Sing</a></p> <p><a href="#">What's in the basket (Y1-2 table-top music making)</a> - - password – <a href="#">blue370</a></p> <p><a href="#">Night Terry (Anna Clyne)</a> – though resources aimed more at KS2</p> <p><a href="#">Case Study of how to approach Bolero</a> in <a href="#">MMC Appendix 3</a></p> <p><a href="#">2- and 3-time challenge</a></p> <p><a href="#">Melody - CBeebies - BBC</a> – good for <b>listening and stories</b></p> <p>See singing resources in appendix</p> <p><a href="#">Penguin song</a> - on Music Hub SharePoint site</p> <p><a href="#">MusiQuest level 2</a>, though aimed at KS2, explores creating music and different sounds in response to a story</p>	<p>Through active listening to a range of music from different cultures and traditions, as in the <a href="#">MMC Foundation Listening list</a> or suitable alternatives, and by revisiting pieces heard in earlier years:</p> <ol style="list-style-type: none"> <li>Know something of the stories, origins, traditions, history and social context of the music they are listening to, singing and playing</li> <li>Clap, walk or move in time with the beat in music at different speeds:               <ol style="list-style-type: none"> <li>matching movement to the mood or style of the music</li> <li>co-ordinating movement with the rest of the class</li> <li><b>distinguishing between music grouped in 2s and in 3s, by marking the first (strongest) beat</b></li> </ol> </li> <li>Recognise when something changes in a piece of music eg tempo (slow/fast), dynamics (loud/soft) and pitch (high/low)</li> <li>Memorise a particular musical idea and recognise when it is heard</li> <li>Recognise the sound made by some of the main instruments in the pieces listened to, and how that sound is produced (eg hitting, bowing, plucking/strumming, blowing or digital means)</li> <li>Start to distinguish aurally between pieces of music from different times, places and traditions</li> </ol>

Year 2	By the end of year 2 most pupils should be able to:		
	COMPOSING	MUSICIANSHIP	MUSICIANSHIP (contd.)
	<ol style="list-style-type: none"> <li>1. Create music in response to a non-musical stimulus (e.g. a storm, a car race, or a rocket launch).</li> <li>2. Create a sequence of different sounds, varying pitch, duration, dynamics, tempo and timbre to accompany the changing moods in a story</li> <li>3. Improvise simple question and answer phrases, to be sung and played on untuned percussion, creating a musical conversation.</li> <li>4. Use graphic symbols, dot notation and stick notation, as appropriate, to create a record/basic music map for composed pieces.</li> <li>5. Use music technology, if available, to capture, change and combine sounds</li> </ol> <p><i>Suggested music ICT apps to support this (see appendix for descriptions)</i></p> <p><i>iPad:</i></p> <ul style="list-style-type: none"> <li>• Loopseque Kids</li> <li>• Thumbjam</li> <li>• Madpad</li> </ul> <p><i>PC:</i></p> <ul style="list-style-type: none"> <li>• Purplemash 2Sequence <a href="https://tonematrix.audiotool.com/">https://tonematrix.audiotool.com/</a></li> </ul>	<p><b>Musicianship (Pulse/Beat)</b></p> <ol style="list-style-type: none"> <li>1. Understand that the speed of the beat can change, creating a faster or slower pace (tempo).</li> <li>2. Mark the beat of a listening piece (e.g. Bolero by Ravel) by tapping or clapping and recognising tempo as well as changes in tempo.</li> <li>3. Walk in time to the beat of a piece of music. Know the difference between left and right to support coordination and shared movement.</li> <li>4. Begin to group beats in twos and threes by clapping on the first (strongest) beat and tapping knees on the remaining beats.</li> <li>5. Identify beat groupings in music that they sing or listen to regularly eg in 2 Maple Leaf Rag by Joplin; in 3 The Elephant by Saint-Saëns</li> </ol> <p><b>Musicianship (Rhythm)</b></p> <ol style="list-style-type: none"> <li>6. Play copycat rhythms, copying a leader, and invent rhythms for others to copy on untuned percussion.</li> <li>7. Create rhythms using word phrases as a starting point</li> <li>8. Read and respond to chanted rhythm patterns; represent them with stick notation including crotchets, quavers and crotchet rests.</li> <li>9. Create and perform their own chanted rhythm patterns with the same stick notation.</li> </ol>	<p><b>Musicianship (Pitch)</b></p> <ol style="list-style-type: none"> <li>10. Play singing games based on the cuckoo interval (so-mi, e.g. Little Sally Saucer) matching voices accurately, supported by a leader playing the melody.</li> <li>11. Sing short phrases independently within a singing game/short song</li> <li>12. Respond independently to pitch changes heard in short melodic phrases, indicating with actions (e.g. stand up/sit down, hands high/hands low).</li> <li>13. Recognise dot notation and match it to 3-note tunes on tuned percussion. </li> </ol>

# Year 3

Year 3	By the end of year 3 most pupils should be able to:	SINGING	KEY CONCEPTS / Vocabulary / Sticky Knowledge	LISTENING
		<p>Using songs from the <a href="#">MMC repertoire list</a> or songs with an equivalent purpose:</p> <ol style="list-style-type: none"> <li>Sing a widening range of unison songs of varying styles and structures with a pitch range of a 5<sup>th</sup> (do–so) tunefully and with expression.</li> <li>Copy back phrases of a song with accuracy of rhythm and pitch.</li> <li>Sing with awareness of: <ol style="list-style-type: none"> <li>the shape of a melody</li> <li>phrases in a song</li> <li>the character and style of the song</li> </ol> </li> <li>Sing forte (but without shouting) and piano, loud and soft.</li> <li>Perform actions confidently and in time to a range of action songs (e.g. Heads and Shoulders).</li> <li>Walk, move or clap a steady beat with others, changing the speed of the beat as the tempo of the music changes.</li> <li>Perform as a choir in school assemblies.</li> <li>Demonstrate a growing understanding of principles of good singing including warm-ups; breathing; posture; dynamics; phrasing; context and vocal health (see appendix)</li> </ol>	<p><b>Rhythm, Metre and Tempo:</b> Downbeat, pulse, beat, Beats in a bar (1-2,1-2 or 1-2-3, 1-2-3)</p> <p><b>Pitch and Melody:</b> High, low, <b>Rising, falling</b></p> <p><b>Structure and Form:</b> Call and response; question phrase, answer phrase, echo, ostinato</p> <p><b>Harmony:</b> Drone</p> <p><b>Texture:</b> Unison, layered, solo</p> <p><b>Dynamics:</b> loud (forte) and quiet (piano)</p> <p><b>Instruments:</b> Key instruments in foundation listening</p> <p><b>Notation:</b></p> <ul style="list-style-type: none"> <li>Rhythm Crotchets (walk), paired quavers (running), minims (stride)</li> <li>Pitch Stave, lines and spaces, clef. Differences between higher and lower sounds represented by dot notation being on, above or below a line – range of a 3<sup>rd</sup>, do-re-mi</li> <li>Other Fast (allegro), slow (adagio), loud (forte) quiet (piano)</li> </ul>	<p>Through <i>active listening</i> to a range of music from different cultures and traditions, as in the <a href="#">MMC foundation</a> listening lists or suitable alternatives, and by <i>revisiting</i> pieces heard in earlier years:</p> <ol style="list-style-type: none"> <li>Demonstrate understanding of the stories, origins, traditions, history and social context of the music they are listening to, singing and playing.</li> <li>Show, through movement or simple conducting gestures, that they can hear the pulse/beat; difference between music with 2 beats in a bar and 3 beats in a bar and feel where the strong downbeat (first beat of the bar) comes.</li> <li>Recognise when the texture of a piece of music is solo, unison or layered.</li> <li>Identify when the dynamics of a piece of music are loud (forte) or quiet (piano).</li> <li>Identify the difference between high and low pitch, and when pitch is rising or falling.</li> <li>Identify key instruments across different styles of music listened to eg violin, flute, trumpet, trombone, sitar, tabla, guitar, drum kit.</li> <li>Move to music changing between walks/running/stride to identify the difference between quavers, crotchets and minims.</li> <li>Listen attentively to music from a range of cultures and traditions, including those represented by communities in Nottingham, using simple musical vocabulary to describe some of the detail heard.</li> <li>Memorise musical ideas (eg a melody, a chorus, a rhythmic idea) and identify when, or how many times it is heard in a piece.</li> </ol>

## Appendices

### Appendix 1: The aim of the Model Music Curriculum

The aim of the MMC is to ensure a universal provision of music education, for all pupils at St Mary's Academy. In time and resources, this provision is as follows:

- In EYFS, pupils will receive the equivalent of one hour teaching a week, taken in the form of shorter sessions and extended provision.
- At Key Stages 1 and 2, pupils should receive the equivalent of a minimum of one hour of teaching a week; this may take the form of short sessions spread across the week or half day sequences of lessons.
- In Years 3 or 4, each class start a whole-class instrumental programme lasting a minimum of one term. The term will be supported by teachers from the local Music Education Hub or a skilled musician. Opportunities for development should continue beyond the mandatory term.
- There should be access to both rhythmic and melodic instruments in all year groups; this may be as part of the whole-class instrumental programme and/or in other classroom teaching.

### Music Repertoire Experience

*The pieces listed [for singing and listening] are intended to give teachers a good start in terms of choosing music which is age appropriate. It should not limit the imagination or creativity of the teacher in terms of seeking and using other musical examples and further repertoire options are listed within MMC Appendix 2*

**The Department for Education’s non-statutory Model Music Curriculum (MMC) sets out a clear intention and ambition for music education in key stages 1-3 that is both welcome and much needed.**

As with any published or self-created scheme of work, however, the effectiveness of the MMC in any individual school that follows or draws upon it will depend on the way it is implemented and the impact that it has on pupils’ learning in that school.

Ofsted’s expectation is that

- schools and academies have clear, well-sequenced plans for the music curriculum that at least match the ambition set out in the National Curriculum (and for the Early Years, key stage 4 and the sixth form, where appropriate)
- these plans are delivered with sufficient time and resources, and good teaching, with teachers supported well through quality CPD
- this all has good impact as seen by secure and incremental learning of the technical, constructive and expressive knowledge that pupils need for their future participation in and enjoyment of music.

**There will be no pre-requisite from inspectors that schools should adopt the Model Music Curriculum – as the MMC foreword states, it is designed to assist rather than prescribe. However, there remains every expectation that schools have in place a music curriculum that is ambitious, well-sequenced, implemented well, and which leads to good musical outcomes for all pupils.**

## Appendix 3: Singing Guidance from the Model Music Curriculum

Through good vocal production, careful listening and well-developed sense of pitch, pupils should be able to sing in harmony and with musical delivery by the end of Year 6.

Many aspects of good singing and good singing teaching are processes that will develop slowly over time. The following principles should be kept in mind as pupils develop their vocal potential through the Key Stages:

- **Warm-ups** will help pupils use their voices safely. There are many places to find good examples of vocal warm-ups, and they will typically include vocalising, sirening and simple scales, as well as games to energise pupils.
- **Breathing.** Increasing control of airflow will help pupils to sing longer phrases, adjust dynamics, improve tuning and phrase melodies expressively.
- **Posture.** A relaxed but stable stance (soft knees) sets the body up to produce an unforced but well-focused sound. Pupils, especially younger pupils, will often want to move to the music and this helps to facilitate that.
- **Dynamics.** When appropriate, class singing should include a dynamic range as a key expressive tool. Confident singing will often be loud but need not tip over into shouting.
- **Phrasing** gives shape to melodic lines. Through small dynamic changes, it helps emphasise important syllables and create musical interest in the melody.
- **Context.** Music can often be brought to life by considering the context in which it was written, or by discussing the meaning of any words.
- **Vocal health.** Warming up before singing, staying hydrated, resting voices, particularly when there is lots of singing to do, keeping vocal muscles relaxed.

## Appendix 4: National Curriculum summary (including EYFS focus from the Statutory Framework and Development Matters)

National Curriculum /EYFS – Early Learning Goals (ELG) and/or Development Matters (DM) summary	
<b>‘Performing’ focus</b> <i>National Curriculum</i>	EYFS – SF (ELG): Sing a range of well-known nursery rhymes and songs; Perform songs and rhymes with others, and – when appropriate – try to move in time with music. EYFS – DM (in Reception): Sing in a group or on their own, increasingly matching the pitch and following the melody.
	KS1: Use voices expressively and creatively by singing songs and speaking chants and rhymes; Play tuned and untuned instruments musically
	KS2: Play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression; Listen with attention to detail and recall sounds with increasing aural memory (performer focus)
<b>‘Creating’ focus</b> <i>National Curriculum</i>	EYFS – DM (in Reception): Explore and engage in music making, performing solo or in groups.
	KS1: Experiment with, create, select and combine sounds using the inter-related dimensions of music
	KS2: Improvise and compose music for a range of purposes using the inter-related dimensions of music
<b>‘Listening’ and ‘Notation’ focus</b> <i>National Curriculum</i>	EYFS – DM (in Reception): Listen attentively, move to and talk about music, expressing their feelings and responses.
	KS1: Listen with concentration and understanding to a range of high-quality live and recorded music
	KS2: Appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians; listen with attention to detail and recall sounds with increasing aural memory (listener focus); develop an understanding of the history of music  KS2: Use and understand staff and other musical notations

## Appendix 6: Music Technology Resources

EYFS – F1	EYFS – F2
<p>Operates equipment such as:</p> <ul style="list-style-type: none"> <li>CD players, MP3 players, handheld devices, keyboards</li> </ul>	<p>iPad:</p> <ul style="list-style-type: none"> <li>Find and record sounds using the iPad</li> </ul>
Year 1	Year 4
<p>iPad:</p> <ul style="list-style-type: none"> <li>Singing fingers (converts finger movements to sounds and musical phrases)</li> <li>Voice Changer Plus (record sounds and apply effects to change the timbre)</li> </ul> <p>PC:</p> <ul style="list-style-type: none"> <li><a href="#">Voice Changer - Online &amp; Free</a> (use a microphone to record a sound then apply effects to change the timbre)</li> </ul>	<p>iPad:</p> <ul style="list-style-type: none"> <li>Garageband (use sampler function to record and quickly edit sounds)</li> <li>Madpad (perform rhythms using sound pads)</li> <li>Monkeydrum (quickly record simple sequences)</li> </ul> <p>PC:</p> <ul style="list-style-type: none"> <li><a href="#">onlinesequencer.net</a> (enter notes one at a time to build musical parts in a browser-based app)</li> <li><a href="#">drumbit.app</a> (build drum patterns in a browser-based drum machine)</li> </ul>
Year 2	Year 5 and 6
<p>iPad:</p> <ul style="list-style-type: none"> <li>Loopseque Kids (record simple musical looping phrases)</li> <li>Thumbjam (play a range of instrument sounds within a predetermined scale)</li> <li>Madpad (play and record rhythms using sound pads)</li> </ul> <p>PC:</p> <ul style="list-style-type: none"> <li>Purplemash 2Sequence <a href="https://tonematrix.audiotool.com/">https://tonematrix.audiotool.com/</a> (compose using simple symbol notation)</li> </ul>	<p>iPad:</p> <ul style="list-style-type: none"> <li>Garageband (combine instrument sounds to create a layered piece)</li> <li>Groovemaker 2 Free (sequence pre-recorded phrases to make / remix modern musical genres)</li> <li>S4 Rhythm Composer (simple and free drum machine / rhythm app)</li> </ul> <p>PC:</p> <ul style="list-style-type: none"> <li><a href="#">onlinesequencer.net</a> (simple in-browser sequencer)</li> <li><a href="#">drumbit.app</a> (in-browser rhythm composer)</li> <li>Darkwave Studio (a complete virtual studio – complicated for newcomers but capable of full track creation)</li> <li><a href="#">Audacity</a> (a free audio editor. Edit and apply effects to audio files on PC)</li> </ul> <p><a href="#">BBC Symphony Orchestra Discover (spitfireaudio.com)</a> – free version if you look at bottom of the webpage and fill in a questionnaire; needs a host app, so best if you have some music tech knowledge</p>
Year 3	
<p>iPad:</p> <ul style="list-style-type: none"> <li>Garageband sampler function (record sounds and experiment with pitch and effects to alter the timbre)</li> <li>Monkeydrum (record looping musical phrases)</li> </ul> <p>PC:</p> <ul style="list-style-type: none"> <li><a href="#">onlinesequencer.net</a> (use a piano-roll editor to make sequences within a web browser. A good introduction to piano roll / timeline music software)</li> </ul>	

## Appendix 7: About the Music Progression Framework

This music progression framework has been developed by Nottingham Music Hub, the Nottingham Schools Trust and Nottingham City schools. It has been edited and developed further to meet the needs of St Mary's Academy and our curriculum intent.

The framework outlines carefully sequenced learning across EYFS, Key Stages 1 and 2, and incorporates the national curriculum for music, the model music curriculum, the DfE national music plan entitlements for all children and the associated music hub initiatives designed to support and fulfil these.

With thanks to:
