Dear Parents and Carers,

Thank you for your on-going support this term, especially while the teacher strikes are taking place.

Thank you also to those of you who are working hard to improve your child's punctuality and attendance. I appreciate your extra effort and commitment to school life.

Kindest regards, *Anne-Marie Bell*

## Easter Fun – Wednesday 29<sup>th</sup> March

At the most recent Parent Forum, parents discussed arranging an Easter event for the community, following the success of the Christmas disco. We talked about holding an Easter Treasure Hunt, including some food and possibly a quiz.

Please can I ask for help to finalise the arrangements before we announce our full plans for the event.

**Planning Meeting: Monday 20<sup>th</sup> March at 3:20pm**

## Calling Volunteers

Before COVID, volunteers were welcome into school to listen to young readers. We'd love this tradition to start up again.

If you or a member of your family are interested in such a role, please come to the school office for a chat. You don't need to commit a lot of time, every little helps and I am sure you will enjoy the experience.

If reading isn't your interest, an extra pair of hands in art or design lessons always comes in handy. Please share your interest with your child's teacher.

## Free cycle helmets

We have two cycle helmets in school, still in their boxes to give away.

If you would like one of the helmets, pop to the school office to see if they would fit your child.
