## Congratulations Assembly

Congratulations assemblies are special assemblies when we come together to share children's hard work and achievements in school. Staff particularly look to praise children who live by our school mission, showing kindness and respect to all.

This year we will enjoy some celebrations as a whole school and some as a Key Stage. Assemblies will now be on a Thursday afternoon at 2:30pm – see dates below.

We will continue to send a message to parents and carers if your child is going to be praised, a few days in advance. This is so you have time to plan to join us and be there to support your child, if you can.

When we have Key Stage celebrations, all parents are welcome to join us for the assembly and we will try to make sure tea and coffee is available. This is an opportunity for parents to gather and catch up. You are welcome from 2:15pm.
