PE

P.E. will take place on a **Tuesday** and **Friday**. We ask children to come to school each Tuesday and Friday in their PE kit instead of their school uniform.

Reading – It is important that your child continues to read at home and we are encouraging the children to do this for a little longer now they are reading much longer books so that they do not lose interest in their books.

Maths - Please also ensure your child is practising their times tables facts up to 12x12 and the related division facts that go with these e.g. $6 \times 3 = 18$ so $18 \div 6 = 3$. You could also support your child this half term by helping them to learn the prime numbers to 100. Any number that is only divisible by 1 and itself without remainders is known as a **prime number**.

The prime numbers from 1 to 100 are: 2, 3, 5, 7, 11, 13, 17, 19, 23, 29, 31, 37, 41, 43, 47, 53, 59, 61, 67, 71, 73, 79, 83, 89, 97.

Homework – Please note a slight change to homework routine. Homework will now be given out each Friday and will be collected the following Friday. Please encourage children to get into a good routine completing their work at a time that suits your family, and bring it in as soon as it is all completed. Encourage them to speak to us before it is due if they need any further support with it.
