Important information this Half Term

F1 Diary Dates	
6 th May	Bank Holiday
Friday 24 th May	Last day of term
Monday 3 rd June	Return to school

Helping your child at home

We recommend that you share books and sing songs/nursery rhymes together at home every day. This is a wonderful opportunity to spend time together, as well as supporting your child with early communication, language and reading skills. Communicating with your child in your home language will provide a solid foundation for learning English.

We are taking part in the Brushing Buddies supervised toothbrushing programme. We recommend that **you** brush your child's teeth twice a day, also encouraging some independent tooth brushing.

Support your child with becoming increasingly independent with:

- dressing/undressing themselves
- managing personal hygiene (e.g. using the toilet, washing hands, brushing teeth)
- Putting on their own coat
- Using a knife and fork at meal times

Good News Stars

We would love to hear about your child's achievements at home. Please use a star to write down a special moment or achievement. Please ask a staff member for a star, then bring it back to nursery so that we can add it to your child's 'learning journey'.

You can then take another star ready to share your child's next special moment.

Labelling

Please clearly label all clothes and bags with your child's name.

Reading for Pleasure

Please bring your child's book bag to nursery, every Wednesday, at the start of the session. Your child will then change their story book during the session.

Thank you for your support,

Miss Park, Mrs Hayes and Mrs Neal

Please use the stars below to write down one of your child's special moments and/or achievements and return them to nursery, so that we can add it to your child's 'learning journey'.
